

# LOCAL CHRONIC WASTING DISEASE CHECK STATIONS

In order to better understand the distribution of CWD and its effects on deer and elk populations, this hunting season the Canadian Cooperative Wildlife Health Centre (CCWHC) and the Ministry of Environment are planning targeted CWD testing in the following **wildlife management zones**:

**Southwest: 5**

**East: 37, 39, 43, 48, 49, 56, 57, 58, 59, 60**

**Locations and hours of operation to be announced.**

In addition the Ministry of Environment and CCWHC will have an information trailer and booth at the following sportsman shows:

## **3rd Annual Saskatoon Gun Show**

Sept 17th -18th, 2011

Community Center, Martensville, SK

Hours: Saturday 10am-5pm

Sunday 10am- 4pm

## **Swift Current Gun & Hobby Show**

November 5th -6th, 2011

Stockade, Swift Current
