

Saskatchewan Newsletter

Hi everyone!

This is the first newsletter for NASP in Saskatchewan. Its purpose is to keep all NASP schools updated on such things as upcoming training opportunities, tournament dates, and anything else NASP related. The SWF is also in the process of updating its webpage to include more information like contacts for each NASP school in Saskatchewan along with a NASP events calendar. Please e-mail any information you would like to include in the newsletter or on the web at jprysliak.swf@sasktel.net

My goal is to send out one newsletter at the beginning of each month. I still haven't heard back from all the schools yet as to who their contact person is, but thought I would send something out for November to the people I have heard back from. Please feel free to e-mail any comments or suggestions for future newsletters as well.

Let's work together and make NASP the best it can be in Saskatchewan!

JeanAnne
692-8812

Upcoming BAI Workshops:

- Prince Albert, November 14
- Canora, November 24: **FULL!**
- Outlook, November 28
- Raymore, December 5: **FULL!**
