Happy Fall!

It's hard to believe that another school year has already been in session for a month! With the start of a new school year has come some NASP news as well including the announcement of the Easton Foundations Equipment Grant for new schools. Archers from Yorkton, Canora, and Melfort will also be representing Saskatchewan and Canada at the 3rd Annual World Tournament in Orlando October 6th-8th. Let's go Canada!

Please take the time to have your students fill out the online survey in regards to their opinions and thoughts on NASP. This feedback is very important!

Good luck to the archers from Yorkton, Canora, and Melfort who will be attending the 3rd Annual World Tournament and competing against teams from Africa, New Zealand, and the USA! Shoot straight and have fun!

Need to upgrade or purchase extra NASP equipment? The SWF is offering 3 grants up to \$500 towards the purchase of new equipment based on a 50/50 cost share with your school. Please see the attached grant application for details!
