

JOIN THE "OTHER GREEN TEAM"

Increasing numbers of Canadians are deciding whether or not they use a company based on how eco-friendly they are. This means that it is becoming more and more important that businesses make environmentalism a part of their brand.

One way to improve your eco-image is to join the **Saskatchewan Wildlife Federation** with a Corporate Membership. Your membership allows you to support us as we secure, enhance and preserve wildlife and fisheries habitat as well as develop and maintain outdoor educational programs.
